BUG REMOVER CONCENTRATE

PRODUCT NUMBER: NA274

This concentrate is a highly effective cleaner designed to loosen and remove insects and insect stains from windshields, lights, chrome and painted surfaces. It is completely safe and will not harm paint, chrome or rubber.

DIRECTIONS:

For use in wash tanks at service stations add 20 - 25 ml/litre of water (3 - 4 oz/gallon). Apply solution to windshield with either a sprayer or a sponge, scrub surface and remove residue with a squeegee. For windshield reservoirs add 60 ml (2 oz) to a full reservoir of water. (Be sure to empty before freezing weather in the fall.) Bugs will soften up and be removed after 2 or 3 wash cycles.
