

# TECHNICAL DATA SHEET

## TIRE SHINE

### PRODUCT NUMBER: NA277

This product is a viscous white liquid that revitalizes and restores the original shine of tires, soft vinyl trim and black rubber bumpers.

---

### DIRECTIONS:

Best results are achieved when sprayed directly onto the surface and allowed to dry. It may also be applied with a clean dry cloth or sprayed on and wiped to ensure an even application on the entire surface.

Shake well before use.

## FOR COMMERCIAL USE
