TECHNICAL DATA SHEET

MANUFACTURED IN CANADA

ACID TRI FOAM - RED

PRODUCT NUMBER: NB360

This product is a concentrated, high-foaming, low pH detergent designed for use in friction auto washes. Acid Tri Foam - Red is formulated to effectively remove tough road salts while maintaining an easy-rinsing removal. The excellent foaming ability of this product allows enough clinging to effectively penetrate even the toughest soils.

This product has a vibrant red foam with a sweet bubble gum scent.

DIRECTIONS:

Dilute product with warm water up to 1:500. Dilution ratio can be changed based on customer preference and the degree of soiling. This product should be applied in a friction system.
