TECHNICAL DATA SHEET

MANUFACTURED IN CANADA

AB-50 DEGREASER

PRODUCT NUMBER: ND331

This product is an odourless, non-flammable product for exceptional degreasing and cleaning of a wide variety of surfaces. It rinses well and leaves no film or offensive odours. It is ideally suited for degreasing and cleaning of engines, off-road equipment, concrete floors and white-wall tires. It may be applied with a pressure washer, steam cleaner or by brush.

DIRECTIONS:

For cleaning and degreasing of vehicles and shop floors, use 1 part to 50 parts of hot water and apply with pressure wash equipment. For degreasing of engines, parts and tires, dilute product with 5 parts of hot water, more or less may be required depending on the amount of grease, oil, water temperature and pressure present. Rinse with warm water.

For light degreasing and cleaning, dilute with up to 100 parts of water and rinse. Avoid using the concentrated product on chrome or painted surfaces. Do not allow extended contact with aluminum hubcaps or alloy wheels.
