

TECHNICAL DATA SHEET

BCF DEGREASER

PRODUCT NUMBER: NI303

BCF Degreaser is a completely water-soluble product that provides exceptional degreasing and cleaning for a wide variety of surfaces. This product is butyl and caustic-free, making it free from the unpleasant characteristic butyl smell. It is biodegradable, non-flammable, solvent-free, and leaves no residue or unappealing odours. It is able to remove tough, grimy stains from a wide variety of surfaces, such as concrete, engines, industrial equipment, and steel. It may be applied by pressure washer, steam cleaner, or brush.

DIRECTIONS:

For cleaning and degreasing of vehicles and concrete surfaces, use 1 part to 50 parts of hot water and apply with pressure wash equipment. For degreasing of engines, parts and tires, dilute product with 5 parts of hot water; more or less may be required depending on the amount of grease, oil, water temperature and pressure present. Rinse with warm water.

FOR COMMERCIAL USE
